Creating an Outline in Noodletools

Once you are ready to create your outline, go into the same page where your notecards are. Click on the Notecards button at the top of the screen:

The notecards are on the left side of the screen and the outline is on the right:

Click on the Green + button to add to the outline:

If you want to add a subtopic, for this example a B. subtopic under the A. subtopic, click on the Add subtopic (child) option.

When you want to add a topic to the outline, for this example, a II., then click on the Add topic (sibling) option.
When you want to add a subtopic, you need to make sure that you have you clicked on and highlighted the topic you want it to fall under:

If you need to edit anything, click on the edit button:

If you need to delete anything, click on the trash button:
